

Our School:

A small parochial elementary and middle school, Cathedral School is located in the heart of downtown Raleigh. Our student body, comprised of 240 children in grades Pre-k through 8th grade, represents the diversity of our capitol city, both socio-economically and culturally. For 110 years, we have offered the very best quality education and extra-curricular opportunities for our students.

To keep our tradition of excellence alive and prospering at Cathedral School, we partner with neighboring businesses and alumni to reach beyond the tuition dollars of our small parent base and limited resources. Your participation in the Knight's Open Golf Tournament Fundraiser as a business sponsor, player or both will help in our continuous efforts to enhance our extra-curricular programs.

Your tax-deductible donation will be used to purchase much needed supplies to support Knight Athletics, Academic Tournaments, and Performing Arts.
