

To whom it may concern:

The Omega Delta Phi Alumni Foundation of Arizona, in partnership with The Alumni Association of Arizona, are pleased to continue in our tradition of serving our community through promoting higher education in the state of Arizona. Over the past 10 years, we have proudly raised money and provided scholarships for students. The golf tournament brings together some of Arizona's elite businesspeople for a great cause. With the goal to continue to expand our support as a community organization, we are proud to host the 5th Annual Copper Eagle Classic Golf Tournament at Casino del Sol's Sewalio Golf Club in Tucson, AZ.

We are asking for your sponsorship in our annual golf tournament. With your contribution, deserving members of our community will receive financial aid towards furthering their education. In return for your generosity, we will display your business name, logo, and business location via our social media networks. There are numerous benefits at the proposed sponsor level including all sponsorships and donations being 501c3 tax deductible to your business or organization.

If you have any questions or would like more information, please contact us at any time.
