Start something by supporting Golf for Kids' Sake 2022!

Big Brothers Big Sisters of Peel | York will hold our **Annual Golf Tournament** at the breathtaking Caledon Woods Golf Club in Caledon, on Thursday August 25th 2022. This exclusive club features a peaceful and serene course surrounded by the natural beauty of large trees and rolling hills.

The tournament will be individual tee-times format beginning at 8:00am, with breakfast and lunch provided to the players. The tournament will be following any and all covid-19 necessary precautions at the time of the event. There will be lots of fun to be had throughout the day with various contests and raffles. Invite your friends and family to join you on the greens for a day of golf, fun, the chance to win prizes and to raise money for a great cause!

Impact of your support

Many children and youth in Peel & York **struggle with societal barriers** and **face adversities in their lives**. These circumstances have nothing to do with the value of who they can become, but because of these situations, youth **risk not having the opportunity to live up to their full potential**. This **comes at a cost** to the young person and to society.

With the **guidance and support of a mentor**, these **risks can be reduced**, or even avoided, and youth are reminded that they **can be anything they**

dream of being. Your support is a **crucial element** of developing vital mentoring relationships and creating that positive world. **Imagine who they can become because of you**.

Money raised will support our programs

Every time we pair a child with a mentor, we start something incredible – **a life-changing relationship built on trust and empowerment**. By supporting Golf for Kids Sake, you help ensure that we can provide high quality mentoring programs which currently include:

- **Traditional (Bigs) Mentoring** (virtual one-to-one)
- **In-School Mentoring** (virtual one-to-one)
- **Go Girls** (virtual group program)
- **Game On** (virtual group program)
- **Conversation Circle** (virtual group program)

About Us

WE BUILD THRIVING COMMUNITIES BY EMPOWERING LIVES THROUGH MENTORSHIP

Many children and youth struggle with societal barriers and face adversities in their lives like detrimental living conditions, family violence, risk factors for mental health, school issues and identity challenges. These circumstances have nothing to do with the value of who they are or who they can become, but because of these situations, children and youth risk not having the opportunity to live up to their full potential. With the guidance and support of a mentor, these risks can be reduced or even avoided, and youth are reminded they can be anything they dream of being.

Our positive mentoring programs help children and youth build the confidence to achieve more, assisting them in reaching their full potential and grow into adults who will contribute positively to society.

Community support and staff-driven fundraising events provide the major portion of the funding that enables BBBSPY to advocate on behalf of the children and youth of Peel, York and Bradford West Gwillimbury.

A significant decline in government funding has greatly impacted Big Brothers Big Sisters of Peel | York! We need your support! Please consider joining us this year in support of kids in our communities or if you are unable to join us in August, please consider supporting us at <https://peel.bigbrothersbigsisters.ca/>!
