"I swing big, with everything I've got. I hit big or I miss big. I like to live as big as I can." – Babe Ruth

Albert "Butch" Beard is a perfect example of someone who lived big in the Dauphin community. He never hesitated to share his love of baseball and love of life with everyone he met. Butch spent many hours on the field playing, coaching, teaching and leading. He spent almost as many hours off the field continuing to share his love of the game as a mentor and friend to many of the youth and residents of Dauphin.

Please join us at the 1st Annual Albert "Butch" Beard Memorial Golf Tournament, come out and "swing big" with everything you've got.

A portion of the proceeds will benefit the DAA's newly created Albert "Butch" Beard Scholarship Fund.
