

Dear Golfers

Re: Birdie Tussle Golf tournament, Monday, Sept 19, 2022

The Students-Athletes of John Muir High School and Pasadena High School need your Help! Over the years there have been many financial cutbacks at both schools with athletics being at the top of the list. We need your help in making a difference. Over past years, the Birdie Tussle has raised thousands of dollars for the school's athletic programs. This year we hope with your help we can continue to raise significant funds.

We are inviting you to play in the sixth Annual Birdie Tussle Golf Tournament. Your participation in this event will be helping the student athletics of both school.

We are anticipating a highly successful and well attended 6th Annual Birdie Tussle Golf Tournament.

The event will take place at : **Brookside Golf Course**

Monday September 19, 2022.

Shotgun start 7:30 a.m.

Best-Score Format.

After your enjoyable round of golf, you are invited to enjoy a fantastic lunch at Mike Jenkins' residence:

Thank you in advance for giving our Student-Athletes a clear message that they are well deserving of our support.
