

WELCOME Drive Out Cancer Golfers!!

This is a team scramble event where you are keeping the scores of one team per hole.

- ◆ Each person will tee off. You pick the one drive you want to use – everyone goes to that ball (after picking up the other tee shots) and all four players hit from that location.
- ◆ You follow that pattern throughout the competition of the hole. You must putt into the hole (no gimmies).
- ◆ The maximum team score per hole is double bogey. For example, if you are on a par 4 and your team has already used 6 strokes for that hole, pick your ball up, mark the 6 on your score card and move onto the next hole.
- ◆ Each person on your team may use a purchased mulligan.
- ◆ Turn your scores into the registration table when your team completes 18 holes.
