INAUGURAL NAMPA P.D. K9 GOLF TOURNAMENT

I am reaching out to you on behalf of the Nampa Police K9 Foundation. We wanted to share a little bit about the K9 unit and how you can support.

Police K9s are an important tool for law enforcement agencies because they provide a range of valuable services and benefits. K9s have a powerful sense of smell and are trained to detect drugs, explosives, firearms, and other items. They are often used to search buildings, vehicles, and other areas where illegal substances/dangerous materials or dangerous criminals may be present. They also assist with search and rescue operations and they help keep our officers safe.

Our K9 unit has monthly and yearly certification requirements. In addition, training and adding proper equipment to allow our unit to function, can be challenging. As a sponsor, you are ensuring that our hard working K9 Teams are properly equipped, trained and cared for.

Our upcoming Inaugural Golf Tournament will be held on July 14, 2023. This is such a valued fundraiser, because it is also our way of saying THANK YOU to our most generous donors and supportive community.

The Nampa Police K9 unit greatly values the support of our local community and businesses over the years. Enclosed you will find important details on our Golf Tournament Sponsorship Opportunities. Our tax ID is: 82-6000231 tax deductible letter/receipts are available upon request and will be emailed directly to you.

I hope we can count on your support this year.
