Our Church Support

Special thanks to 24 area churches for supporting us financially as well as through food donations, transportation support, and your prayers.

DID YOU KNOW? The Bridge Youth Center is a faith based 501c3 organization that is open to any community youth who walks through the doors looking for a safe and caring place.

The Bridge is responsible for its own fundraising to meet an annual operating budget of \$405,000. Our budget is met through donations from local corporations, individuals, churches and grants.

Our Board of Directors is made up of 12 individuals who represent a cross section of our community. We use over 85 volunteers representing more than 24 different churches and communities, ranging in age from 14-93 years of age.

The Bridge Youth Center offers eleven programs that reach over 150 students weekly and focus on keeping kids safe, loved and valued, surrounding them with caring community people.

More than half of the students involved at the Bridge do not claim any type of church affiliation, while the remaining have connections to over 24 area churches.

Over 70% of the kids who come to the Bridge come from families who are fully employed but struggle daily to meet the necessities.

invites you to our

13th BYC Community Golf Outing

Friday, August 23, 2024

At Winding Creek Golf Course

SUPPORT YOUR LOCAL YOUTH CENTER

Since the Bridge Youth Center opened its doors on September 11, 2001, we have provided over 10,000 community kids a safe place to come after school, a place where they are loved and valued. We surround them with caring community members who provide mentoring, intergenerational relationships and positive experiences they don't always have in their lives. It is through these relationships and the collaborations we work that true differences are being made.

As the face of Zeeland changes, so too do the needs of its children. Join your local churches, area businesses, foundations and individual community members by investing your time, prayers and/or financial resources to kids "at-risk" in our community.

Registration forms can be emailed to
jed.mulderbmc@gmail.com

or mailed to 210 E Main, Zeeland, MI 49464

To register and pay on-line you can do so at

www.bymczeeland.org
