

ABOUT THE KINGSMILL RIVER COURSE

Bordered by the calm azure waters of the James River, this famed championship course has tested the mettle of the game's most famous names. On a still morning, dew still beading on the precisely manicured greens, you can almost hear the echoes of applause for crisply struck irons and delicately holed putts. The River Course inspires you to test your own mettle. To see how you stack up against the greats of today, and of years gone by.

The course has been reborn thanks to the efforts of original architect Pete Dye. The renowned course designer tinkered just enough with his layout, bringing out the subtle details that make for a truly unforgettable round of golf.
