Join Us in the Fight Against Childhood Cancer

My name is Erik Karow, and I am the president/founder of the High 5 Foundation and we are looking for your support. The High 5 Foundation is a non-profit organization in Rochester, MN and for more than 11 years we have devoted our energy to passionately helping young individuals fight childhood cancer.

As a supporter of our cause, you understand the profound impact childhood cancer has on families and communities. It's a battle that requires unwavering strength, resilience, and support. Today, I write to you with a heart full of hope and determination, seeking your continued assistance in our mission to conquer childhood cancer. With your generous donations in the past, we've been able to fund groundbreaking research, provide crucial support to affected families, and advocate for better treatment options. Despite the progress we've made, the fight is far from over. Childhood cancer remains a leading cause of death among children, and each day, more families face the devastating reality of a cancer diagnosis in their child.

Your support can make a real difference. Your donation will enable us to:

- Fund life-saving research: Every dollar brings us closer to discovering new treatments and ultimately finding a cure for childhood cancer.
- Support families in need: From financial assistance to emotional support services, we're dedicated to helping families navigate the challenges of childhood cancer.
- Raise awareness: By spreading the word and advocating for greater awareness and funding, we can ensure that childhood cancer receives the attention it deserves.

Together, we can bring hope to children battling cancer and their families. Your generosity has the power to change lives and shape the future of pediatric oncology. Please consider making a donation today. Your contribution, no matter the size, will have a meaningful impact on the lives of children fighting cancer. Thank you for your ongoing support and commitment to our cause. Together, we can make a difference.

With gratitude,

Erik Karow
