

4TH Annual Cure Kinley & Kennedy Golf Tournament

Sunday August 4th, 2024
Greg Mastriona Courses at Hyland Hills
Westminster, CO

Sponsor Packet

Our Cause

Thank you for considering sponsoring the 2024 Cure Kinley & Kennedy Golf Tournament!

In the summer of 2020, we received an unimaginable and unexpected diagnosis for our two daughters, Kinley & Kennedy. After years of pursuing answers for unexplained delays and health issues, our fears were confirmed when genetic testing showed both girls have GM1 Gangliosidosis Type II—an ultra-rare neurodegenerative disease with no treatment or cure. Adding to the pain, the disease is fatal, with life expectancy between mid-teens and late twenties and with a declining quality of life. Our girls will slowly regress in their development and eventually lose their ability to walk, talk, and eat, and it will ultimately take their lives.

Kinley will be 11 in June and has the kindest heart. She has lost much of her ability to speak clearly and uses an assistive speech device throughout the day. Over the last year, her ability to walk, especially long distances, has also declined, and she is starting to complain of knee and hip pain. While she doesn't require a full-time wheelchair yet, we do use one for her when we're out adventuring!

Kennedy is 8 and is the undisputed diva (and drama queen) of the family. As with her sister, GM1 has started taking hold of her ability to speak. We can't understand her as much as last year, so she also uses an assistive speech device when needed. Kennedy is also dealing with the reality of physical regression, which can lead to her getting into binds where she can climb onto things but can't get down.

Since diagnosis, we have been on a mission to bring awareness to GM1 and other rare diseases. Given the limited population, very little attention and funding is given to rare diseases. Yet thousands of families are having the same experience we are having—a fatal diagnosis with very few prospects for treatment or hope for a cure before it is too late.

While there were several promising critical trials underway (of which Kinley and Kennedy were part), all but one were sadly discontinued in 2023. The salt in the wound with this news is that the decisions were made primarily because of financial constraints, not poor outlooks on the treatment. This is why we need YOU!

We thank you for considering supporting our cause and advancing the research and development for GM1 and other rare diseases. All net proceeds will benefit the Cure GM1

Foundation—a 501© non-profit organization committed to raising awareness and funding to discover treatment options and potentially a cure for all those affected by this devastating disease.

Event Details

4th Annual Cure Kinley & Kennedy Golf Tournament

Sunday August 4th, 2024

7:00am - 2:00pm

The Greg Mastriona Courses at Hyland Hills
9560 Sheridan Boulevard, Westminster CO 80031

The event includes on-course contests, luncheon, awards, and FUN!

THE GREG MASTRIONA GOLF COURSES
AT HYLAND HILLS

To Register: <https://app.eventcaddy.com/events/4th-annual-cure-kinley-kennedy-golf-tournament>

Fundraising Goal

The success of our event relies heavily on the generosity of our sponsors. Registration fees allow us to cover the cost of the event with modest proceeds towards our cause, but to really make a difference we need a strong set of partners and sponsors. Every dollar we raise will benefit the Cure GM1 Foundation; the only 501c3 non-profit dedicated to raising awareness and finding a cure for GM1 Gangliosidosis.

Keeping pace with an incredible turnout in 2023, we are targeting to raise net proceeds of

\$50,000

Outside the Box Support	We are always looking for amazing items and donations to include in our event.
--------------------------------	--

Below are some other great ways you can help us make this year's event a success!

SILENT AUCTION DONATIONS

Our silent auction is one of the largest generators of donations during the tournament. People enjoy having access to higher-value items/experiences knowing their money is going to a great cause. In the past we've had mountain getaways, diamond jewelry, and family photography sessions offered—all of which led to incredible fundraising!

RAFFLE ITEM DONATIONS

We hold our raffle during the luncheon, which is fast-paced and exciting! We sell hundreds of tickets each year, and participants have the chance to choose their raffle item first come, first served. This is another fantastic way to market your brand to our participants. Items in the past have included golf merchandise, apparel, gift certificates, electronics, and many more!

CASH DONATIONS

At the end of the day, we're looking to raise as much money as possible for the Cure GM1 Foundation in honor of Kinley & Kennedy. We will gladly accept cash donations if you so choose.

BRANDED APPAREL

All sponsorship levels include branding on signage throughout the tournament. Depending on the sponsorship chosen, branding may be more prominent, and perhaps included on all tournament announcements and social media posts.

We would be happy to work with you on branded apparel sponsorships as well. This would be a great way to get your brand out there and beyond the tournament by providing our players with hats, balls, tees, towels, etc.

If you have other ideas on how you can help or contribute outside of what we've outlined above, please don't hesitate to reach out!
