What starts bold, stays bold. The Calgary Stampede Volunteer and Friends Divot Classic has raised in excess of \$1 million over the past 25 years, thanks to the support of participants and sponsors like you, with 100% of all funds raised being donated to the Calgary Stampede Foundation's Stampede School program.

The annual golf tournament is returning this year for it's 26th anniversary, and is open to our incredible volunteers, dedicated staff, sponsors, suppliers, supporters and stakeholders alike.

There are a variety of ways to take part, as a sponsor, donor, or golfer! Sponsorship opportunities are listed on the facing page. We are also looking for donations of foursome and proximity prizes, another excellent way of participating and having your organization recognized for your support.

Stampede School is an educational experience for students in grades 1 through 12 that relocates their classroom to the enriching environment of Stampede Park. In their new setting, students and teachers experience deep and innovative learning and make connections to history, agriculture, Indigenous tradition and cultures, and western heritage and values. Stampede School, a Campus Calgary site, is inquiry-based, innovative, and focused on hands-on experiences. Each class's week long visit is customized to fit their particular curriculum goals and classroom needs. Here, students develop a strong sense of character, citizenship, and learn the importance of community.

STRONG YOUTH. STRONGER COMMUNITY.

Thank you for your support!
