Lake of the Woods Adaptive Watersports is a 501c3 formed in early 2016 to give Veterans and disabled people of different abilities, a day on the lake participating in various watersports. Waterskiing, tubing, fishing, kayaking, paddle boarding, jet ski rides, ZUP Boarding, and lunch is all free to them and their families / caregivers. We have events during the summer that offer Veterans, adults, children and their families the opportunity to participate, no matter their diffability.

This year we are hosting the 2nd Annual Diff-Ability Golf Tournament. This golf tournament is our largest fundraiser of the year. To ensure its success, it is vital to have the help and support of local businesses and the community. We look forward to working with you. The proceeds raised help us to continue our program and cover the cost of new equipment, maintenance of existing equipment, lunch and gas needed for events, insurance, and day to day expenses.

We are asking for sponsors. In return for your support your we will recognize your business in various ways through social media, printed media, golf carts, scavenger hunts, score cards, and more. Please see the below for sponsorship opportunities.
