Santa Fe Resiliency Center and
Innovative Alternatives
Victim Assistance Programs

A Message from Our Board President

Dear Friends and Supporters,

It is with great excitement that I invite you to join us for the 36th Annual Legacy of Leadership Golf Classic on May 12th, 2025! This year marks a milestone for us, and we are eager to celebrate with you as we unveil our new rebrand, signaling a fresh chapter in our journey of making a profound impact in our community.

Innovative Alternatives remains steadfast in its mission to bring mental and relational health awareness to the forefront. The increasing prevalence of mental illness and its devastating consequences call for immediate action. From the tragedy in Santa Fe to the recent events in Uvalde, the urgency to "do something" has never been clearer. We are on the front lines every day, providing hope and healing through the Santa Fe Resiliency Center and our counseling center in Clear Lake. Our comprehensive services, including play therapy for children and family reconciliation mediation, address severe mental health issues, trauma resolution, and family conflict.

A Story of Hope and Healing

Consider the story of Officer James, a first responder who has faced the unimaginable. Every day, he witnesses trauma and tragedy, bearing the emotional scars of those experiences. The constant exposure to such distressing situations took a toll on his mental health, leading to severe anxiety and depression. James found himself struggling to cope, feeling isolated and overwhelmed.

Through Innovative Alternatives, James received the support he desperately needed. Our counseling services provided him with the tools to manage his trauma, offering a safe space to express his emotions and heal. Today, James is not only back on his feet but also thriving, using his experiences to advocate for mental health awareness among his peers.

Your support can make an extraordinary difference. By becoming a sponsor, you are not only gaining advertisement, recognition, and event benefits but also actively participating in preventing suicides, stabilizing crises, strengthening families, and protecting children. The attached Sponsor Levels detail the various ways you can contribute to our cause.

Imagine the impact you can make by placing a flyer for our raffle in your employee lounge or waiting room. For just \$10, participants have a chance to win a five-night oceanfront stay with airfare for two in Belize! These raffle tickets are perfect for staff appreciation awards or tokens of gratitude for valued clients.

Together, we can change lives and build a stronger, healthier community. Now is the time to act. Join us in this vital mission and be a part of something truly transformative. Your involvement can turn despair into hope, chaos into stability, and suffering into healing.

Take the first step today by choosing a sponsorship level that aligns with your commitment to making a difference. Let's create a legacy of leadership and compassion that will resonate for years to come.

Warmest Regards,

Dennis Stetzel
Board President
Innovative Alternatives
