History of the Cultural Immersion School

- 1996-1997 snc'c'amala?tn Early Childhood Education Center offered Preschool and Kindergarten
- 2006 nkmaplqs i snmamayatn i kl sqilxwtet offered Grades 1-4, Early Childhood Centre (ECE) and Elementary School

Current Cultural Immersion School

- New modulares were set up September 2021 adjacent to the Old Day School until nkmaplqs i snmamayatn i kl sqilxwtet is built. However the building is already experiencing overcrowding

FUTURE OF THE NEW CULTURAL IMMERSION SCHOOL

OKIB and ISC (Indigenous Services Canada) are building a new Cultural Immersion elementary school Komasket Park adjacent to snc'c'amala?tn Early Childhood Education Center. In the new school we hope to have:

- Classrooms (K4-Grade 7)
- Full size gymnasium
- Kitchen
- Cafeteria
- Break-Out Rooms
- Cultural and Language Room

Best Dressed Contest in honour of Darren Radbourne

Darren Radbourne, Senior Designer with Iredale Architecture attended our 1st annual tournament, and he was definitely the best dressed! A few days later, he passed away suddenly, and although we all just met him, he left such an impression on all of us.

In memory of Darren, we'd like to have another best-dressed contest, so wear your best clothes for a chance to win and honour Darren! The theme (might be) Western, if we can get a hold of that dern mechanical bull!! **Side note: if you know of one, let Tetko know!**

A few words from his wife, "I am so happy to see Darren honoured in this way by your community. He cared so much about your school and was absolutely committed to helping to design something that would reflect exactly what your community wanted. He had so much fun at the golf tournament last year! Thank you for caring about Darren and honouring his love of life, people, community and fun. He was always the best dressed, of all of us, no matter what he was wearing. Take Care and thank you so much! All the best for a successful and fun tournament. Darren will be there in spirit, I know."

THANK YOU
