Golfers:

Please arrive between 6:30am-7:15am for check-in. Breakfast burritos will be available for purchase. Shotgun starts promptly at 7:30, putting contest, and lunch immediately following your round!

All proceeds benefit the Fairmount PTA's goals in supporting and strengthening Fairmount Elementary and ensuring all students can reach their full potential!

What we're raising money for:

To provide our children with the best possible learning experience, Fairmount PTA and Staff continuously look for ways to make Fairmount better each year. Funds from this event will support our on-going programs and capital projects; this year our goal is to build shade structures over the new and existing playground, install a sound system in the gym for music class and performances, provide a scholarship for Fairmount alumni post high school graduation, and subsidize classrooms with additional funding for whatever their individual needs are.

FIREBIRDS ON THE FAIRWAY

Donation Tournament Bag Contents

Mulligans (Do Over)

(1 blue ticket)

Take a bad shot? Put the ball back on the tee (or more commonly set the ball back down on the green) and try again. May only be used once, please discard once used. It may be used by anyone on the team, does not have to be one ticket per person, team decision who and when the tickets are used.

Grenade Balls

These can be thrown, instead of hitting with a club, allowing better accuracy and an interesting spectacle on the course! The grenade ball does NOT count as a stroke. Once a ball has been used it must be discarded and not used again.

String it Out

This string may be used during play to improve a player's lie or even void a stroke. At any point, a player may move the ball the length of the string provided to any desired position. You may use the four pieces at the same time or individually, but once you have used the string it must be discarded and not used again during the round.

A word from the PTA...

Thank you for spending your morning with us on the golf course. Because of your participation in events like these, we can provide such a diverse and robust offering to our Fairmount students. We appreciate your support and hope you have a fun, memorable, and successful day on the course! Good luck, and go Firebirds!

Firebirds on the Fairway

Format: 4 Person Scramble

Men: White tees

Women: Red Tees

All players tee off, pick the best shot-all players play the second shot from that point. All balls can be placed.

Continue this process until the ball is holed. You may move the ball one club length, no closer to the hole and you may not improve your lie. Ex: out of sand or onto the green.

Please remember pace of play and do not look for lost balls - this is a scramble format. Pace of your round should be no more than 4½ hours.

Please stay on cartpath around all greens, tee boxes and all par threes.
