

7th Annual **Philmore Graham Memorial Scholarship Golf Tournament**

Greetings Supporters,

On Friday, July 25th the Annual Philmore Graham Memorial Scholarship Golf Tournament will be held at Rancho Solano Golf Course. Mr. Graham dedicated his life to helping children realize their potential by teaching them to value their education and how to become citizens of great character. Proceeds from the event will go to provide college scholarships for deserving students and support programs for youth including the Willie B. Adkins Scholars Program, the Omega Gents Youth Mentoring Program and the Philmore & JaMella Graham Foundation. We want to sincerely thank those of you who have supported us in past years and hope that you will continue to help us positively influence young lives in our community.

This tournament was originally established in 1982 to provide financial support for the Continentals of Omega Boys Club, founded in 1966, which has had a very positive impact on the lives of hundreds of young men and women from Vallejo and surrounding communities. This is our tournament's 42nd year after a brief hiatus in 2020 due to COVID! The club is now closed due to the need for a facility in which to house the program. Our Omega Gents program, which mentors middle and high school boys, and our partnership with the Willie B. Adkins Scholars Program that provides tutoring, college awareness and study skills training, seek to continue the work as Mr. Graham intended. The students will tour colleges, attend conferences and workshops, and receive mentoring and tutoring among other activities. The Philmore & JaMella Graham Foundation's goal is to empower youth in education, life skills and self-esteem. Recently it has become very likely that the Boys and Girls Club will be reactivated in a new facility in the same location and in partnership with Griffin Technology Academies.

We are asking businesses and citizens in the Bay Area to sponsor one of several categories and/or donate prizes to help us support these worthwhile programs. Please review the attached sheet for the various opportunities to support us as a sponsor. We also invite you to support us by participating in the event and recruiting other players.

Please, mail your registration and donations early. Make your check payable to **Omega Reservoir of Help Foundation**. Your generous tax-deductible donation will help us continue efforts in molding productive citizens for our community and nation. (Omega Reservoir of Help Foundation - TAX ID NO. 27-2134-734)

For more information, please contact Joseph Johnson (707) 287-2823, Ken Hendrix (707) 328-7668, or Charles Fisherman (707) 853-0319.

Thank you in advance for your consideration and support.

Sincerely,

Ken Hendrix
Tournament Chairman
