"Thank you! Thank you! CDA was with me and my family in the good and sad times. They gave me support, but most important they were there with my boys at all times. I have no words to express how grateful I am for being part of the CDA family for over 6 years! My kids love each and every one of you and so do I. God bless the entire staff who was always there for all kids. Thank you for teaching and practicing how to embrace diversity. My eternal gratitude."
