# WELCOME LETTER

Howdy,

On behalf of the tournament committee, Vold family, and in partnership with the Ponoka Arts, Recreation & Cultural Society (PARCS), we invite you to be a part of the Inaugural Ralph Vold Memorial Golf Tournament, a premier event that celebrates community, legacy, and the power of sport. Taking part in the “The Ralph” is more than just a day on the course. It is an opportunity to come together in support of a vision that will shape the future of our local community.

Ralph Vold was a trailblazer, a man who saw opportunity where others saw obstacles. His deep roots in the community of Ponoka and passion for sport led him to create the Cattlemen’s Tournament, an iconic event that brought together industry leaders, friends, family, colleagues, and community builders on the very same fairways of Wolf Creek Golf Resort, where we will gather once again.

Today, we carry forward his spirit of innovation and leadership, not only in honoring his legacy but in building something new, a field house for Ponoka. This is a facility that will serve as a hub for sports and recreation, fostering athletic growth and community engagement.

This initiative is about more than just a tournament; it is about bringing together those who believe in progress, business development, sports, and community betterment. We are asking leaders, businesses, and individuals who share these values to stand with us as sponsors and partners in this exciting endeavor.

We would be honored to have you join us as we launch “The Ralph” Vold Memorial Golf Tournament and take the first steps toward a new era of community growth.

For sponsorship details and opportunities, please see the enclosed package. We look forward to seeing you there!

# ABOUT THE EVENT

For those of you that took part in the original Cattlemen's tournament, you will notice that the format of "The Ralph" is the same. This tournament follows a unique teaming structure to create balanced competition and an exciting calcutta auction:

- Both Men's & Ladies teams are randomly selected based on handicaps to ensure fair and competitive play.
  - **Important note: If you are registering multiple individuals, you are NOT registering as a team.**
- Those with the lowest handicaps are marked as captains and are drawn the night before the tournament.
- Each team consists of five players, with handicaps increasing from the captain to the fifth player.
- After captains are drawn, teams are auctioned off in the calcutta on Friday night, adding a strategic and competitive element to the event.
- The golf format is a scramble, with teams working together to post the lowest score.

This system ensures a level playing field, fosters new connections, and keeps the tournament true to the spirit of competition and camaraderie that Ralph believed in. More detailed rules will be made clear on tournament weekend.

\*This tournament has been defined as contrary to the amateur status guidelines (Rule 7). Please be aware that by playing in this tournament, you may be waiving your right to participate in R.C.G.A. sanctioned events.
