Temple High Athletic Booster Club Mission

The mission of the Temple High Athletic Booster Club (THABC) is to provide service and financial support to all Temple High School athletic programs. Temple High School does not have separate booster clubs for each of its various athletic programs. Thus, the THABC provides both service through fundraising, volunteerism, and publicity and financial support through facility improvements, equipment purchases, and playoff cost reimbursement for all of the athletic programs at Temple High School. The THABC is also tasked with promoting Temple High School and general athletics through branded events run by our membership like the annual THABC Golf Tournament.

The Temple High Athletic Booster Club relies on the efforts of its membership, fundraising through event sponsorships, and participant fees to raise the funds necessary to support our ongoing mission.

Additional information concerning the THABC can be found at TempleHighAthleticBoosterClub.org, on the Temple High Athletic Booster Club Facebook page and on Twitter/X and Instagram at THABC_Tigers.

Event Sponsorship Process/Timeframe

Please reach out to the listed event coordinator detailed on the cover page of this packet if any additional information is needed or you would like to participate as a THABC event sponsor.
