

Dear Valued Supporter,

## Supporting Education, Building Futures

Founded in 1969, the Black Educators Association (BEA) is a volunteer, non-profit organization committed to empowering Nova Scotian communities of African heritage by advocating for equitable education opportunities. Through awareness, mentorship, and skill development programs, the BEA strives to inspire action and create lasting change. We believe that success begins with education—and we are dedicated to teaching success.

Over the years, the BEA Open Golf Tournament has awarded more than \$460,000 to support over 815 African Nova Scotian students pursuing post-secondary education. We're committed to continuing this vital work, and we need your help. Join us at the **36th Annual BEA Open on Saturday, July 12th, 2025** at Osprey Ridge Golf Course in Bridgewater.

There are many ways for your company to support our students:

- **Register a team** for the scrabble tournament.
- **Become a sponsor.**
- **Donate directly** to the bursary program.

Visit [beaopen.com](https://beaopen.com) for more details.

If your company would like to donate prizes, please email us at [info@beaopen.com](mailto:info@beaopen.com) for pickup arrangements. For any questions, contact Shannon Bezanson, Event Manager, at [info@beaopen.com](mailto:info@beaopen.com).

Thank you for your support—we hope to see you on the greens in July!

Best Regards,

Gerry Clarke, Chair  
*2025 BEA Open Golf Tournament*
