

Dear Friend of the Lady Bamford Center,

We are excited to announce the **19th Annual JCB Golf Tournament** benefitting the Lady Bamford Center, taking place on **Monday, November 10, 2025**. Your continued support has made this event a cherished tradition, helping us fulfill Lady Bamford's mission and provide vital resources to low-income children and their families.

The JCB Golf Tournament Committee, JCB employees, and the Lady Bamford Center Board of Advisors have been working diligently to ensure another successful event. We are delighted to return to the prestigious **Landings Club**, where play will take place on two championship courses—**Palmetto** and **Terrapin Point**. To make participation even easier, we will once again offer convenient online registration for sponsors, teams, and players.

This tournament promises the same camaraderie, spirited competition, and exceptional golfing experience you've come to expect—all in support of a truly worthy cause. The Landings Club, home to six private courses designed by legends such as Arnold Palmer, Tom Fazio, Arthur Hills, and Willard C. Byrd, provides the perfect setting for this memorable day.

We encourage you to take a moment to view the short video we've shared, highlighting the joy and promise in the eyes of Lady Bamford Center students whose lives you help transform through your participation. Their smiles are a powerful reminder of the impact we can make together for the children of west Savannah.

We hope you will join us once again on November 10, 2025. Please visit our website to register as a sponsor or participant, and review the attached packet for full tournament details.

With Gratitude,

The Lady Bamford Center Golf Tournament Committee
