Help us feed our golfers who love to eat! Includes
hole sign, your banner displayed at lunch.

Door Prize Donations

We love giving out prizes! All items welcome!
Recognition on social media and day of
tournament.

About Our Tournament

In 2011, we lost a special person in Sarah Michelle Landauer. This tournament, born out of grief, began that year with a small group of people joyfully coming together to honor and remember Sarah by raising funds for community causes in her memory and, of course, golf. Over the years the tournament has grown to host over 100 people each year to continue to remember Sarah and raise funds for causes including the Children's Cardiomyopathy Foundation, University of Florida Soccer Endowment, Challenge 22, Gainesville area women's high school sports programs, and North Florida Soccer Academy.

Dear Potential Sponsor,

The SMiLe Foundation would love to have your support this year as we host our **15th Annual Golf Tournament on Saturday, December 27, 2025**, at the Twin Rivers Golf Club in Oviedo, Florida. As you may know, this tournament benefits the SMiLe Foundation established in memory of Sarah Michelle Landauer, a 17-year-old athlete who collapsed during a track practice and passed shortly thereafter due to an undiagnosed heart disease called cardiomyopathy.

Every year, 100-120 golfers gather to keep her spirit alive while raising funds for meaningful causes connected to the life she lived. Sarah had a deep love for her family, community, and the sport of soccer. She was a talented athlete and had dreams of playing soccer in college. Because she grew up in Gainesville and spent much time in Central Florida with her extended family, we continually support meaningful organizations in these two communities.

Last year we began to additionally focus some support on donating funds to a high school women's athletics program to purchase an AED for the women's sports teams. There is usually one AED on campuses and this helps the athletes have better access to this life saving device. This year's golf tournament proceeds will continue to support AED purchases, along with the **Children's Cardiomyopathy Foundation, Camp Crystal Lake, North and Central Florida sports programs and student scholarships.**

Appreciatively,

David and Kelly Butterfield
