

2026 WNYRIC Open Golf Outing

WNY Regional Information Center

Benefit:

January 10, 2026

To Whom It May Concern:

On Thursday, June 18th, 2026, we will host the 25th Annual Western New York Regional Information Center (WNYRIC) Open Golf Outing at Chestnut Hill Country Club. This event remains a cornerstone of our fundraising efforts, with **100% of the proceeds benefiting the Ronald McDonald House of Buffalo**, a vital organization that provides essential support to families during some of the most challenging times in their lives. Last year, through the generosity of donors like you, we raised **\$10,000**, bringing our total contributions over the years to over **\$92,000**.

We are reaching out to community members and businesses to support this year's event by contributing donations, which will be used for raffles or gifts during the golf outing. This year we are also accepting nonperishable food goods for their family pantry. All funds raised and food donated from your donation will go directly to support the families of the Ronald McDonald House Charities of WNY, providing them with the care and resources they need during their stay.

If you have any questions regarding the event, donation process, or would like to register a team, please feel free to contact **Joshua Blair** or **Christina Krikris** at the WNYRIC. We also offer the convenience of arranging for a committee member to pick up any donation items from your location. For your reference, an official registration form is enclosed. Should you prefer to mail your donation, please use the following address:

**Western New York Regional Information Center
Attention: Joshua Blair / Friends of the WNYRIC
355 Harlem Road
West Seneca, NY 14224**

We are deeply grateful for your consideration and support of this important cause. Together, we can make a meaningful difference for the families who rely on the Ronald McDonald House of Buffalo.

Thank you once again for your generosity.

Respectfully yours,

Joshua Blair
WNYRIC Open Golf Outing Co-Director
