Midwest Honor Flight is a non-profit organization dedicated to providing Veterans with respect, honor, and closure with an all-expense paid trip to our nation's capital serving the state of South Dakota and areas of NW Iowa, NE Nebraska, and SW Minnesota.

ABOUT US

Our Mission: To transport America's Veterans to Washington, D.C. to visit those memorials dedicated to honor the service and sacrifices of themselves and to fellow Veterans.

Our desire is to fly as many Veterans from Northwest Iowa, the State of South Dakota, Northeast Nebraska, and Southwest Minnesota to Washington, D.C. as we can find – at no cost to the veteran. Top priority is given to WWII, Korean War Veterans, Vietnam War Veterans, and terminally ill veterans from all wars.

Throughout their Midwest Honor Flight tour, the Veterans are thanked, recognized and admired for their service. They come home personally knowing how much their country loves them and respects them. Veterans will never forget this gratitude and adoration. If America thought it was important to build a memorial to their service and sacrifice, Midwest Honor Flight believes it's important for them to visit their memorial before it's too late.
