

YELLOW BALL CHALLENGE

Your ticket to extra fun on the course, and a shot at winning **\$625+!**

*Grab a Yellow Ball for just \$25 to join the challenge. **2 winners** take home cash prizes, and all remaining profits go directly to the children we support.*

The more players who jump in, the bigger the prize pool grows — for the winners AND for the kids! Every Yellow Ball in play brings us closer to our **\$85,000 goal**.

 **Foursome tip:** Many foursomes choose to **split the prize four ways**. It's a winning strategy that brings the team together on the course and **multiplies everyone's chances**.

Here's how it works

1. Pick up your Yellow Ball when you register. **\$25 puts you in the game.**
2. Your foursome must keep **at least 1 Yellow Ball in play at all times** throughout the round.
3. At the final hole, return your surviving balls to the reception table for **one ticket per ball returned**.
4. The pot splits in two: **half to the children, half to the 2 winners.**
5. Two tickets drawn at random. Each winner pockets **\$625+!**
