Welcome!

Dear Friends,

I am delighted to welcome you to our Eighth Annual Golf Classic. Every year, we look forward to seeing old faces and meeting new people who support our programs and overall mission.

Please know that our staff, board, volunteers, and clients appreciate your commitment to helping your community. Together, we are making a lasting change.

Thank you for your participation and support today. We are incredibly grateful and hope to welcome you back again next year. Enjoy!

RSVP Programs

Education Programs

Family Literacy

Volunteers work with Head Start preschoolers to better prepare them for Kindergarten, promoting a love for reading. RSVP gifts six new books to each child throughout the school year, with reading tips for parents, ensuring that each child will have a book to call their own.

Elementary Literacy

Volunteer reading coaches work with K-5th grade students to improve on reading and comprehension skills. These individual sessions enable the volunteer to focus on the student and his/her unique needs, eliminating the fear many students have of reading aloud in front of the classroom.

Virtual Literacy

Volunteers work with 1st - 5th grade students via Zoom sessions to enhance reading skills. Students read grade-level books to volunteer reading coaches and then discuss the storyline.

RSVP Programs

Education Programs

My Free Tutor

Volunteers help students in grades 3-12 and veterans returning to college strengthen math skills. Volunteers meet one-on-one with students virtually using an online program that targets areas of difficulty to help the student to grasp challenging concepts.

Digital Literacy Training

RSVP's Digital Literacy program aims to equip local organizations and individuals with free digital skills knowledge. Volunteers help adults safely and comfortably use their digital devices to access telehealth, mobile banking, grocery delivery, communication with loved ones, and more.

STEM Career Presentation

Volunteers share their career path journey through recorded sessions or presentations in the classroom. Students can learn about education and career choices they may never have thought were possible. Individuals and organizations are encouraged to present.

RSVP Programs

Community Programs

Volunteer Executive Consultants (VEC)

Volunteers utilize their business skills to counsel and advise nonprofits on best practices to enhance growth and sustainability. VEC teams work collaboratively with nonprofit management to build and strengthen agency capacity. Members also conduct educational seminars and workshops.

PA MEDI - Medicare Counseling

State-trained volunteer Medicare counselors help inform recipients about the best possible combination of health insurance and prescription plans for their unique needs. Counselors meet in-person or consult via phone to provide free, unbiased information about coverage options.

Volunteer Services

RSVP partners with local nonprofit agencies to help build capacity through volunteer services. Volunteers are assigned to a role that matches their passions. Opportunities are available to deliver warm meals or groceries, staff food cupboards, sort thrift shop donations, and other critical roles.

Champion of Impact Award

Ian Matlack

We are proud to recognize Ian Matlack, board member and dedicated supporter from Peoples Security Bank & Trust, as this year's Champion of Impact award recipient.

Ian has been instrumental in helping RSVP raise critical funds to support our programs, always stepping up with enthusiasm, generosity, and a deep belief in our mission. His leadership and commitment have made a meaningful difference in the lives of those we serve, and we are truly grateful for his service.
