

Dear Community Partner,

I am writing on behalf of Child's Place, a Children's Advocacy Center that provides compassionate services to children and families after a report of abuse, assault, or neglect, at no cost.

I am reaching out to you because we are hosting our Child's Place Golf Scramble on Friday, June 12, 2026 at the Redwood Falls Golf Club. This event is an excellent opportunity for golf enthusiasts to come together, enjoy a day of friendly competition and support our cause.

Each year, nearly 200 children and caregivers come through the doors of Child's Place after a report of child abuse, assault or neglect. These children come from communities throughout our area, reminding us that child abuse does not discriminate. It crosses neighborhood lines, economic status, and demographics, and it can affect any family. However, when our community comes together, we can all be a piece of the solution.

As we plan and organize our event, we are seeking sponsors who share our commitment to support children after abuse and are interested in contributing to the success of this event. Your support would help us achieve our goals while providing your organization with exposure and recognition among the participants and attendees. In addition to sponsorships, we invite community partners to support the event by donating an item to our Silent Auction.

If you are interested in discussing this opportunity further or have any questions, my contact information is listed below. Together, we can Drive Hope for Children and show the power of a community committed to supporting and protecting our youngest neighbors. Be the difference that transforms lives and helps build a brighter, safer future for children. We look forward to the possibility of partnering with you.

Sincerely,

Your participation in this golf tournament goes far beyond a day on the course. It becomes a lifeline for children and families in our community. Every swing, every sponsorship, and every show of support helps fund critical services that work to break the cycle of abuse and create safer futures for children.

Together, we can ***Drive Hope for Children*** and show the power of a community committed to supporting and protecting our youngest neighbors. Be the difference that transforms lives and helps build a brighter, safer future for children.
