# YMCA Calgary Charity Golf Tournament

We invite your company to take a swing at something truly meaningful by sponsoring our Charity Golf Tournament in support of YMCA summer camp programs.

## Summertime is fun time

The summer months offer kids a break from classroom learning, a time to enjoy the outdoors with friends, traveling with family and participating in summer camps. At the YMCA, summer is our busy season! Thousands of kids are busy in our classroom, or camps, learning a new sport, art skills, outdoor pursuits and making new friends. While campers are having a blast, they are also building connections with peers, camp counselors and a caring community. This helps them build confidence, leadership and social skills that are so important for the positive growth and development in kids.

Unfortunately, not all families can afford to participate in summer camp programs. In 2025, 480 kids needed financial assistance to be able to participate in our summer camp programs. Your support makes a difference!

## Sponsor the YMCA Calgary Golf Tournament

The annual YMCA Golf Tournament is a great opportunity to spend a day on the golf course with colleagues and friends, where every drive, chip, and putt helps send kids to game-changing summer camp programs. As a sponsor, your support won't just put your brand on the leaderboard, it will help kids who might not otherwise have the chance get into the game. Imagine being the reason a child gets to tee off on new adventures and make memories that go well beyond par for the course. Participating companies like yours help us turn financial barriers into opportunities because every kid deserves a clear shot down the fairway.

## Your Support will brighten a Child's Summer

Join us as a sponsor and you'll be driving more than golf balls. You'll be driving possibility! You will help kids chip away at challenges, approach each day with courage, and putt their way toward brighter futures. Together, we can turn this tournament into a hole-in-one for local kids.
