# 2026 AIAPV/PVAF GOLF OUTING MULLIGAN PACKAGE & RAFFLE

Friday, May 29, 2026 | University of Maryland Golf Course

The Mulligan Package offers participants an opportunity to enhance their golfing experience for just \$35. This package includes three mulligans, granting players an extra chance on the course, but remember, only one mulligan is allowed per hole. It also comes with a President's Putt chip, offering a fun challenge to predict how close President Emily Lally will get her Challenge Putt. The closest estimate wins a \$50 prize! Additionally, the package includes three 50/50 raffle tickets, providing a chance to win a cash prize, with the winner needing to be present to claim it.

For those interested in the President's Putt separately, you can participate for \$5 by placing a poker chip on the green before 7:55 AM to make your guess. Furthermore, if you're feeling lucky, you can purchase additional 50/50 raffle tickets at \$5 each or get a bundle of five for \$20. This event promises an engaging mix of skill, luck, and camaraderie on the green!
