A MESSAGE FROM OUR BOARD CHAIR

At Kids Up Front, we believe every child deserves the chance to feel included, inspired, and connected through meaningful experiences. As a mother and as Board Chair, I've seen how powerful these opportunities can be in shaping a child's confidence and sense of belonging. Our annual golf tournament is more than a fundraiser - it's the event that makes all this possible. The generosity shown here each year helps us open doors for thousands of children across our community, giving them memories and opportunities they carry with them for a lifetime.

– Jenna Vivian, Board Chair

A MESSAGE FROM THE KIDS UP FRONT EDMONTON TEAM

As the cornerstone fundraising event for Kids Up Front Edmonton, we are excited to have your support! Your contribution will directly fund our programming and community initiatives, in addition to helping us expand our reach. With your partnership, we're able to create meaningful opportunities and experiences for the over 85 community partners we support. This is so much more than an unused ticket; these are magical moments created with family and inspiring experiences they will cherish.

– Andrea Delaney, Director of Operations

FROM THE FAMILIES WE SUPPORT

"We are very grateful for the Riverhawks game tickets you provided. My son and I enjoyed a night out in the town thanks to Kids up Front. It was both our first time at a baseball game, and we had the best seats in the house! Very much appreciated. Thank you for this time we got together."

– Candora Society

"We absolutely love being able to go to these games. Its such a nice wholesome fun family activity. We don't get out to too many activities that we all love, this is definitely one of them. It's really nice to be able to spend quality time together bonding! If it wasn't for Kids up Front we wouldn't be able to go. We appreciate what they are doing soooo much. Thank you."

– Autism Society of Edmonton Area
