Dear Community Member,

This year will be our **33rd continuous year** of the Carthage Elks Annual Charity Golf Tournament. With support of business like yours we continue to achieve success and continue to hold one of the largest tournaments in the North Country. Last year the tournament had a full field of 40 teams participating raise a record amount of \$11,000.

The Carthage Elks Lodge is in its **77th year** of serving our community and will host the Annual Charity Golf Tournament on July 18, 2026. The tournament, held at Carlowden Country Club in Denmark, continues to be an annual tradition that benefits the youth and charitable works for our area.

In supporting youth activities since our founding, the Carthage Elks continues to strongly believe that our youth need access to a wide range of activities, such as organized athletics and educational programs. Again, this year we will be raising monies to support our local YMCA. Last year our monies again allowed the **YMCA** to extend its winter weekend hours and welcomed **ALL** youth in our community between the ages of 13-17 to use their facility during those hours. We are seeking your sponsorship to help make this tournament a success, while providing an opportunity to advertise your business or organization and support a worthy cause. Please consider one of our many sponsorship levels, or by donating a product or item, which will be used as prizes or raffle items.
