**KELOWNA CHRISTIAN SCHOOL**

## THE WHY BEHIND THE KCS GOLF TOURNAMENT

**Our immediate goal is to raise \$50,000 at this year's golf tournament, which will directly impact our students this fall .**

From service opportunities and outdoor learning to athletic competitions and field trips, our KCS activity buses allows our students to step beyond the classroom and experience the wider world together. These moments build friendships, confidence, and character. The oldest of our 2 buses needs replacing and having dependable transportation ensures that students can participate fully and safely in the experiences that shape their learning and faith journey.

Thanks to the generosity of our community, we have already raised a significant portion toward the purchase of a new bus. To reach our goal, we need to raise an additional \$50,000. Every gift, big or small, will help us move closer to putting this bus on the road. We see the incredible value that the activity buses bring to our students and community and are committed to keeping those opportunities moving forward.

# THE PINNACLE COURSE AT GALLAGHER'S CANYON

Kelowna's Impressive 9-Hole Executive Course - Not to be outdone by its big brother, the Pinnacle Course is an impressive 9-hole, par 32 course built to the same exacting standards as the Canyon course. With a variety of tee placements, the Pinnacle's clever design makes it perfect for golfers of any ability; it's challenging enough for beginners to enjoy as they learn the game.

The Pinnacle is a playable golf course for golfers at all levels seeking to participate. Low handicappers shouldn't judge a course by its yardage. There are plenty of challenges for everyone. There is water on four holes, and wispy natural grass lines every hole. There are also plenty of great views and some elevation changes to enjoy during your round, snacks and prizes to be won, and a delicious buffet dinner to follow some friendly competition.
