OUR CAUSE

Empowering People. Strengthening Community.

At Lambton County Developmental Services (LCDS) we are a non-profit organization committed to empowering people with developmental disabilities and building inclusive communities where everyone belongs.

All proceeds from this tournament directly support our **Weekend Recreation Program**, a fully donation-funded initiative that provides:

- Safe, structured activities for adults with developmental disabilities
- Engaging recreational outings and community experiences
- Opportunities to build friendships and social skills
- Much-needed respite for caregivers and families

This program plays a vital role in helping people connect with their community, explore new interests, and enjoy meaningful weekends.

Your sponsorship ensures these opportunities remain accessible to the people we support.

Thank you for standing with LCDS and helping create a community where everyone has the chance to connect, grow, and thrive.
