

Celebrating 20 Years

Heart for Africa (Canada) is a faith-based humanitarian organization that focuses on bringing HOPE to the Kingdom of Eswatini, Africa, in the areas of Hunger, Orphans, Poverty and Education.

A PLACE OF HOPE

Project Canaan is Heart for Africa's 2,500-acre development in Eswatini, Africa (formerly Swaziland). The project creates jobs, provides training, and cares for orphans and vulnerable children both on-site and throughout the country.

Project Canaan has multiple agricultural approaches to support a self-sustaining community and fund programs for children and partner churches. The Children's Program offers safe housing, education, and hope for those impacted by poverty, drought, and disease—helping raise the next generation of Eswatini.
