MULLIGAN

ONE EXTRA SHOT FOR ONE GOLFER

\$10 EACH • MAX 2 PER GOLFER • MAX 8 PER TEAM

HOW IT WORKS

Use one Mulligan to replay one of your own shots. Mulligans belong to individual golfers, not the entire team.

OFFICIAL RULES

- Each golfer may purchase and hold a maximum of 2 Mulligans.
- A four-person team may have no more than 8 Mulligans total.
- One Mulligan allows one golfer to replay one of their own shots.
- A Mulligan may be gifted to another golfer on the same team during play.
- Once gifted, only the receiving golfer may use it. The original owner may no longer use that Mulligan.
- Mulligans are not team-wide extra shots.

IMPORTANT

A Mulligan belongs to one specific golfer at a time.

QUICK EXAMPLE

Brian has two Mulligans and gifts one to his teammate. Brian keeps one. Only the teammate may use the gifted Mulligan.

EVERYONE DESERVES A SECOND CHANCE.

CHEAT STRING

FIVE FEET OF TEAM GIMME POWER

\$30 PER TEAM • ONE 5-FOOT STRING PER TEAM

HOW IT WORKS

The Cheat String is the one shared team cheat. Use it to turn a close putt into a gimme, then cut off the distance used.

OFFICIAL RULES

- Each team may purchase a maximum of one 5-foot Cheat String.
- The string may be used for the team's selected ball when it is close to the hole.
- Lay the string from the ball to the edge of the cup.
- If the remaining string reaches the cup, the putt is counted as made without taking another stroke.
- Cut off the entire distance used. That piece may not be reused.
- Keep using the remaining string throughout the round until it is gone.

IMPORTANT

Every inch used must be cut from the team's remaining string.

QUICK EXAMPLE

Your ball is 12 inches from the cup. Use and cut 12 inches. Your team has 4 feet remaining for later holes.

MEASURE IT. CUT IT. COUNT IT.

GRENADE BALL

THROW INSTEAD OF SWING

\$10 EACH • MAX 1 PER GOLFER • MAX 4 PER TEAM

HOW IT WORKS

Use one Grenade Ball to throw your golf ball instead of hitting your next shot. The throw belongs to one specific golfer.

OFFICIAL RULES

- Each golfer may purchase and hold a maximum of 1 Grenade Ball.
- A four-person team may have no more than 4 Grenade Balls total.
- The golfer uses the Grenade Ball in place of their next shot.
- Throw the ball with one hand from its current position.
- The throw counts as that golfer's shot. Continue from where the ball comes to rest.
- A Grenade Ball may be gifted to another golfer on the same team during play.
- Once gifted, only the receiving golfer may use it.
- Grenade Balls may not be used on the putting green.

IMPORTANT

A Grenade Ball is an individual cheat, not a shared team throw.

QUICK EXAMPLE

Brian gifts his Grenade Ball to a teammate behind a tree. The teammate makes the throw; Brian can no longer use that Grenade Ball.

PULL THE PIN. THROW IT. PLAY IT.
