Please make your checks payable to: ***The Engineering Center of St. Louis***

The goal of the Engineering Center is to foster the growth and improvement of the engineering profession by encouraging young people to pursue engineering careers. The Jake Jare Tournament is the only established funding for our scholarships. Your financial assistance will help us reach this year's financial goal

to support the **Engineering Center Scholarship Fund.**

Your contribution is tax-deductible. The Engineering Center of St. Louis is a 501-C(3) not-for-profit organization. The value of the goods and services received by each entrant is estimated to be \$225.
