WITH HOPE

Giving Hope To Those In Need

About the Charity

There are moments in life that mark the beginning of a new, difficult chapter, a chapter that will demand a great deal from an individual. A diagnosis of cancer or the loss of a limb are such moments. WWH Mission is to assist with Guidance, Education and the Financial Needs of those coping with cancer or recovering from amputation. By doing so, the organization will work to improve the quality of life for those who have endured illness and/or trauma. Your support will help make a difference for those in need of Hope. WWH has helped over 20 families this year with the generous support of our community. Founder Jami Marseilles is a Huntington Beach resident, Cancer Survivor and Amputee. She provides HOPE to all through her passion for living a life full of purpose.
